ServiceMaster of Hamilton

recognizes the contributions of

Manisha Devi

December 9, 2023 – In the few months that Manisha Devi has been with ServiceMaster of Hamilton, we have come to love and appreciate Manisha for the dedication she has to her work and the enthusiasm she brings to it. Manisha is not just an *essential* employee for us, she is an **EVERYDAY HERO** for simply being who she is!

As a Cleaning Associate assigned to one of our largest customers, Amazon, ensuring the facility's cleanliness can sometimes have its challenges. Not only can we be assured that any task assigned to Manisha will be completed well, Manisha is always willing to also go that extra mile! Manisha's dedication to her work means that we can always be confident that our customers will benefit with a spic and span facility!

We are certain that we would not be as successful in what we do without Manisha on our team!

*"Thank you, Manisha, for your priceless dedication and simply just being you!
You are most certainly our **EVERYDAY HERO!**"*
