ServiceMaster of Burlington recognizes the contributions of Helen Kakish and Victoria Roode

September 1, 2023 – Since joining ServiceMaster of Burlington, Helen Kakish and Victoria Roode have become our go-to team! While they did not start as a team, Helen having joined our ServiceMaster family a year prior to Victoria in the Fall of 2021, their partnership as day porters have garnered them consistent praise from our clients. With the compliments they have compiled, they are indisputably **EVERYDAY HEROES!**

Working through pandemic lockdowns and heightened global viral concerns, Helen and Victoria excelled at keeping our client's offices not only clean and beautiful but safe for all their staff! Their

attention to detail as well as consistent, reliable service has been noted not just once or twice by customers but in fact on a regular basis!

The Cambridge dictionary defines “dream team” as “a group of people who are considered to be the best at what they do.” Based on this simple definition, ServiceMaster of Burlington is proud to not only name Helen Kakish and Victoria Roode as our “Dream Team” but also as our undeniable **EVERYDAY HEROES!**

*“Thank you, Helen and Victoria,
for the excellence you show every day and quite simply just being you!
You are most certainly our **EVERYDAY HEROES!**”*
